

UNIFIED RULES OF AMATEUR KICKBOXING

Approved July 29, 2019

1. Bouts may consist of a maximum of nine (9) rounds of two (2) minutes each in duration, with a minimum of one (1) minute rest period between each round.
2. The referee and/or the ringside physician are the only individuals authorized to stop the contest, as determined by the presiding commission. This rule shall not preclude a video or other review of a decision under the procedures of the applicable regulatory authority if a protest is filed claiming a clear rule violation.
3. All bouts are evaluated and scored by three (3) judges.
4. Scoring:
 - A. The 10 Point Must System will be the standard system of scoring a bout. Under the 10 Point Must Scoring System, 10 points must be awarded to the winner of the round.
 - B. The fighter who has lost the round may be awarded 9, 8, or 7 points.
 - C. If the round is determined to be an even round, a score of 10/10 may be awarded.
 - D. Partial or incomplete rounds will be scored. If no significant action has occurred, the round shall be scored as an even round. This is at the discretion of the judges.

Scoring Criteria:

Bouts will be evaluated using the following prioritized criteria;

1. Number of Knockdowns.
 2. Cumulative effective Impact on the Opponent.
 3. Number of Clean Scoring Strikes
 4. Ring Generalship or Aggressiveness
5. In the event of a knockdown the referee shall send the standing fighter to a neutral corner and administer a Mandatory Eight (8) Count to the downed fighter.

A knockdown is defined as when a fighter touches the mat with anything other than the soles of their feet as the result of a legal, damaging strike – or is in a defenseless position grabbing the opponent, or hanging on or over the ropes. The referee will have sole discretion in determining a knockdown versus a slip.

If a fighter goes down from what the referee indicates is a “slip” but fails to rise after the referee’s repeated commands, the referee will initiate a count, and follow the procedures of a knockdown. If the fighter does not rise at the count of 10, it will be considered a TKO.

If a fighter injures him/herself and then fails to intelligently defend him/herself by turning their back on the opponent, the referee may, in the proper exercise of their discretion either treat the injury the same as one produced by a fair blow from the opponent and follow the procedures for a knockdown, or terminate the bout and declare the opponent winner by TKO.

6. The Three (3) Knockdown Rule is in effect only where a fighter has been knocked down 3 times in the same round by strikes/kicks to the head. In this event, this fighter shall be determined to have lost the bout by **TECHNICAL KNOCKOUT** (note that “standing eight (8) counts are considered the same as knockdowns in making this determination).
7. The use of the “Standing Eight (8) Count is allowed in order to provide the referee the opportunity to make the best determination regarding if a damaged fighter should be allowed to continue in the match.
8. A fighter who has been knocked down CANNOT be saved by the bell in any round, including the final round.
9. All fighters are required to wear a mouthpiece during any contest. No round can begin without the mouthpieces in place. If any mouthpiece becomes dislodged during the contest, the referee shall call time and have the mouthpiece rinsed and put back in the fighter’s mouth at the first opportune moment, without interfering with the action. The referee may deduct points if he/she feels the mouthpiece is being intentionally dislodged.
10. A fighter shall receive a 20 second count if the fighter is knocked out of the ring and onto the floor. The fighter shall **NOT** be assisted by anyone, including spectators or his seconds. If the fighter is assisted, he may be deducted points, or disqualified, at the sole discretion of the referee.
